

DECLARATION OF CE CONFORMITY

With this certificate we certify under our responsibility as a construction company that the boiler below meets the requirements of the current European Union directives.

MANUFACTURER Name : THERMOSTAHL SOLAR LTD
Address : 14th kilometer Thessaloniki - N. Agchialos

KIND OF PRODUCT : Super-pressure steel oil-gas boiler ENERNOX 47

TYPE DESCRIPTION
Type / Series / Year of construction :
EXAMINATION FRAME

Energy performance test : In accordance with European standards EN304/92 & EN304/95, EN303-2/92 & EN303-2/94

Exhaust gas quality control : In accordance with European standards EN304/92 & EN304/95, EN303-2/92 & EN303-2/94 and EN267/91 & 267/96

CERTIFICATES' VALIDITY REQUIREMENTS : The boiler must be accompanied by instructions for installation and use, the manufacturer's declaration of conformity and the marking mentioned on the technical documents.

AUDIT FINDINGS

	Nominal load	Partial load at 30%
Useful nominal output (kW)	47,5	14,26
Degree of performance (%)	93,6%	96%
Energy performance marking	***	****

Observations

1: In the nominal load, the boiler was accompanied by an oil-gas burner.

Burner characteristics	
Manufacturer	RIELLO
Type	40G5X
Power range (kW)	26 - 58
Date of construction	
Certification number	

Nozzle characteristics	
Manufacturer	STEINEN
Type	S
Nominal supply (USG/h)	0,95
Dispersion angle	80°
Pressure (bar)	13,2

2: A list of the main points of the technical dossier is attached.

STATEMENT

A representative sample of the type of the above product has been tried and tested and found that it complies with the conditions mentioned: in the directive 92/42/EEC (21.05.1992) of Council of European Communities and to harmonized presidential decrees : Π.Δ. 335/16-8-93 ΦΕΚ 143/Α/2-9-93, section B of article 7, Π.Δ. 59/21-2-95 ΦΕΚ 46/Α/27-2-95.
